Kit list (one day visits)

We advise all visitors taking part in activities to bring a complete change of clothes, including towel, underwear and shoes. Clothing for activities is very much weather dependant and it is always better to plan for the worst and bring too much clothing rather than too little. However, please use the following as a guide:

Activity	Information	Recommended kit
Canoeing, kayaking and sailing	We encourage canoeists and sailors not to get wet if possible; rather than wearing wetsuits we recommend warm comfortable clothes with waterproofs (if you have your own wetsuit and wish to wear it you may do so)	<ul style="list-style-type: none"> • Tracksuit bottoms or old trousers – not jeans • T-shirt or long sleeved shirt • Sweatshirt or old jumper • Fleece top • Warm socks • Old trainers / wetsuit boots • Waterproof jacket (cagoule style) • Waterproof trousers • Warm gloves and washing up gloves in very cold weather
Windsurfing	As windsurfers are almost guaranteed to get wet we usually supply wetsuits	<ul style="list-style-type: none"> • Swimming costume or trunks • T-shirt • Waterproof jacket (cagoule style)
Improvised rafting	Immersion, although brief, is highly likely and we recommend plenty of old clothes (as many layers as possible) with waterproofs over the top (wet-suits will not be issued)	
Land activities	Although immersion is unlikely, students may get wet and muddy and will require a complete change of clothing	Old clothing: <ul style="list-style-type: none"> • Tracksuit bottoms or old trousers • T-shirt, polo shirt or long sleeved shirt • Sweatshirt or old jumper • Fleece top • Warm socks • Old trainers • Waterproof jacket • Waterproof trousers
